Location

We are at 1029 St Albans Rd Lower MacDonal NSW 2775.

Coming from Sydney, head to Dural and take the Old Northern Rd through Glenorie to the village of Wisemans Ferry. Turn tight left at the Police Station to take the Webbs Creek Ferry across the Hawkesbury River and follow the road towards St Albans.

The ferry runs 24 hrs a day, 7 days a week and is free for both cars and passengers. Try a walk on/walk off trip to get a feel for the beauty and history of this part of the Hawkesbury.

St Albans Rd winds its way along the western side of the Macdonald River.

St Joseph's Guesthouse & Function Centre is halfway between the ferry and the historic village of St Albans.
